

COURSE DESCRIPTION

ENVY LASHES LONDON

Are you ready to embark on a journey into the captivating world of individual eyelash extensions? Dive into our comprehensive course designed to equip you with the skills, techniques, and knowledge needed to become a proficient lash technician.

Throughout this hands-on training program, you'll learn the techniques and artistry behind enhancing natural lashes with precision and finesse. From understanding eye shapes and lash mapping to mastering application techniques and glue theory, this course covers every aspect of individual eyelash extensions.

Our experienced instructors will guide you through a series of interactive sessions, providing valuable insights into industry best practices and the latest trends in lash extensions. You'll have the opportunity to practice on live models under the supervision of seasoned professionals, allowing you to refine your skills and build confidence in your craft.

- This course is led by a fully qualified trainer.
- It provides knowledge on how to apply, refill, and remove eyelash extensions.
- You will learn the fundamentals of building a successful lash extension business.
